2010 Economic Demography Workshop Population Association of America Annual Meeting

Hyatt Regency, Dallas, TX
Wednesday, April 14, 2010

The 2010 Annual Meeting of the Population Association of America will be held Thursday April 15 through Saturday April 17 in Dallas, TX. As has been true for more than 20 years, there will also be an Economic Demography Workshop (EDW) from 1-5 pm on the afternoon before the main PAA meeting (Wednesday, April 14, 2010). The Workshop provides an opportunity for the detailed presentation of 4-9 papers with more economic content than those generally given in the main meetings.

For more information, including past programs, see the EDW website here:
<http://www.edworkshop.umd.edu/>

You may submit a paper or detailed abstract for consideration by the Program Committee by Friday, January 1, 2010, here:
<http://editorialexpress.com/conference/edworkshop2010/>

Interested participants may submit abstracts that have also been submitted for presentation at the main PAA meeting. Please use the "Comments" field to indicate whether the abstract has also been submitted for presentation at the main meeting. Preference will be given to papers that will not also be presented at the main PAA meeting. The program will be finalized in late January.

General information about the PAA Annual Meeting is available from the Population Association of America, 8630 Fenton Street, Suite 722, Silver Spring, MD 20910-3812. Tel: 1-301-565-6710, Fax: 1-301-565-7850. Web: <http://www.popassoc.org/>
