

2022 CEME Conference for Young Econometricians

The following map shows the main conference locations on Duke's west campus.

Remarks:

- The shuttle will drop off and pick up in the middle of west campus, on Chapel Drive. For anyone who needs to take a taxi/uber/lyft, this address is 401 Chapel Drive.
- All conference activities except lunch are in Rubenstein 153, also called the Holsti-Anderson Family Assembly Room. To get there, enter the library through the triple doors that face the quad and turn left. The conference room is the first door on the left, immediately after you enter the hallway.
- Lunch will be in Social Sciences room 113. Social Sciences is the middle building on the opposite side of the quad from the library. Facing the building, enter via the door on the left. 113 is then the first room on the left.
